"HOLD THE FORT!"

Your attention is invited to the following Catalogue, *Illustrated* by outline sketches of our *Fine Art Novelties*, intended to give some idea of the character of our standard Chromos and Crayons. We now have the pleasure of offering our goods at popular prices which will enable all to adorn their homes with beautiful pictures. Upon receipt of price given upon the margin of any article in the Catalogue, it will be securely packed and sent, free of expense, by mail, to any required address. In ordering be sure to give the *number* and *name* of each and every thing you order. Sign your name in full and state clearly what Office, County and State the goods are to be sent.

 Clergymen, Teachers and Students find the introduction of our Art Gems a pleasant, honorable and profitable business, and may employ any portion of their leisure hours—in fact, some of our Agents of this class are realizing more actual profit in this business than many Merchants having thousands of dollars invested in ordinary merchandise.

 Where we have no Agent selling our works of Art, we will supply *one* assorted sample package of FIVE DOLLARS worth Chromos and Crayons upon receipt of one dollar in currency stamps, from either of the following class of persons, viz:—Clergymen, Sunday School Teachers, Post Masters, or Disabled Soldiers, or the family of such soldiers.

N. B. This offer does *not* apply to any P. O. where we now have a Selling Agent.

Remittance made to us in Registered Letter *shall be at our risk*, and will receive prompt and careful attention. Address,
